Pennsylvania State Representative  
138th District

## Secretary Kennedy Launches 'Eat Real Food' Tour

By State Rep. Ann Flood

On Wednesday, I was honored to join Health and Human Services Secretary Robert F. Kennedy Jr. and fellow legislators at the Pennsylvania State Capitol for the kickoff of the "Eat Real Food" Tour.

This important event follows the launch of the new national dietary guidelines and a reset of U.S. nutrition policy, highlighting the vital role that healthy, whole foods play in keeping our families and communities strong.

The rally was a powerful reminder that promoting access to nutritious, real food is essential for public health. By raising awareness and encouraging healthier choices, initiatives like the "Eat Real Food" Tour help Pennsylvanians lead healthier lives and support a stronger, more resilient community.

I am grateful to Secretary Kennedy and all who participated for their commitment to improving nutrition and public health.

Together, we can continue to champion policies and programs that empower individuals to make better choices and ensure a healthier future for everyone in our state!

## Applications for 2026 Pennsylvania House Scholarship Available

By State Rep. Ann Flood

High school seniors interested in receiving financial assistance to help pay for college can now apply for the Pennsylvania House of Representatives' Scholarship.

Each year the program awards a four-year scholarship to two students preparing for post-secondary education. It is open to graduating high school seniors who are Pennsylvania residents with plans to attend a Pennsylvania college, university or career school as a full-time student.

To qualify, students must have attained a minimum 3.0 cumulative grade point average in high school. Other factors taken into consideration for the awards are a student's commitment to community, leadership qualities, extracurricular activities and financial need.

The scholarship program is administered through the Foundation for Enhancing Communities. Click [here](#) for more information and an application. The deadline to apply is April 15.

The scholarship is privately funded by individual and corporate donors; no tax or other public funds are used. Scholarships are awarded through an independent panel of judges chosen by the foundation.
