Protecting Your Identity

By State Rep. Joe Emrick

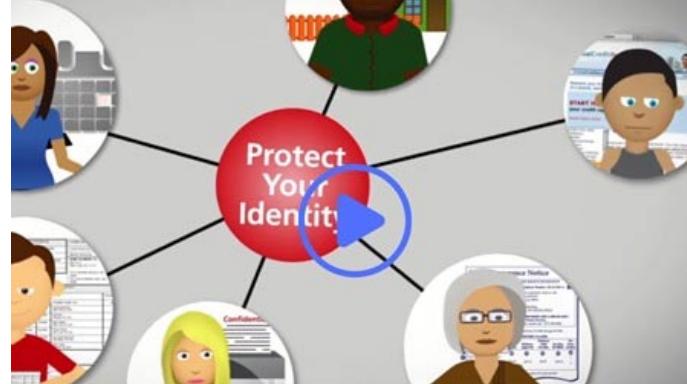

This week, the Federal Trade Commission (FTC) marked Identity Theft Awareness Week to help educate people about this growing crime and steps you can take to protect yourself.

Be sure to pay attention to your credit card and bank statements, health insurance claim statements, and your bills. A bill that doesn't show up as it normally would can be a sign of identity theft. Review your credit reports at least once a year to look for any accounts you may not have opened, and always shred documents with personal information to keep it out of the wrong hands.

The FTC also recommends asking questions before giving out your Social Security number. While it is necessary information for the IRS, your bank and your employer, not every organization needs this sensitive information. The organization also encourages using strong passwords and two-factor authentication to protect your information from scammers online and on your phone.

More tips about identity theft protection are available here.

A person who falls victim to identity theft may find help from IdentityTheft.gov.

Construction-Related Scholarship Program Accepting Applications

By State Rep. Joe Emrick

The Keystone Contractors Association (KCA) is encouraging Pennsylvania students with an interest in the construction industry to apply for its scholarship program.

Applicants must be Pennsylvania residents; attend a Pennsylvania college, university or trade school with focus on a construction-oriented degree; and pursue education and careers with the goal of building and strengthening Pennsylvania's communities, economy and infrastructure.

This scholarship program is open to graduating high school seniors, as well as current college students who plan to work in the construction industry. The one-year scholarship of up to \$10,000 is renewable for up to three years for a student in good standing.

The deadline to apply for this year's scholarship program is March 1. For more information, click here <https://links.pahousenews.com/q/0ultt1ffw80X8VgFWsP8jTGed2ea8GieuW0ZcOJYnZ0aW1lc0ByY24uY29tw4gtuSrNNupeZztLKzAUS1XCCLHhrw>
