RYAN MACKENZIE U.S. CONGRESS

Honoring Fallen First Responders

By Congressman Ryan Mackenzie

Every day, law enforcement officers and first responders put their lives on the line to protect our communities. When they make the ultimate sacrifice, our nation has a responsibility to honor their service and support their families.

That's why I recently cosponsored H.R. 3497, the bipartisan Medal of Sacrifice Act, which would establish a presidential medal to honor law enforcement officers and first responders killed in the line of duty. The medal would be presented to their families as a lasting symbol of courage, sacrifice, and our nation's gratitude. This effort builds on work I led at the state level in Pennsylvania, where I successfully authored legislation creating the Keystone First Responders Award, which recognizes first responders who were killed or seriously injured in the line of duty.

WALDEN III

Senior Living Community

Mom is happy and I finally have some peace of mind!

We were at an impasse. We wanted Mom to consider Personal Care but she was dead set against it. She can manage just fine, she insisted. I love her dearly but worry constantly. She reluctantly agreed to visit Walden III and they suggested a compromise. Independent Living! She gets to retain her independence and her dog and I enjoy the comfort and security knowing that help is **always** on hand.

Price Relief for Homebuyers

By Congressman Ryan Mackenzie

After years of rising housing costs, too many families, especially first-time homebuyers, are being priced out of the market.

That's why I'm proud to co-lead the Make American Housing Affordable (MAHA) Act with Congressman Kean. This legislation provides targeted tax relief through a \$5,000 tax credit for single filers and \$10,000 for joint filers purchasing a primary residence. This is a commonsense step to help hardworking families achieve homeownership and build long-term financial stability.
