

Delaware Water Gap National Recreation Area Implements Federal Mask Requirement For Covid-19 Prevention And Protection

By Kathleen Sandt, Public Affairs Specialist

BUSHKILL, PA – To protect the health of those who live, work, and visit national parks and National Park Service (NPS) facilities, and in support of President Biden's Executive Order on Protecting the Federal Workforce and Requiring Mask-Wearing, NPS is immediately implementing a mask requirement for employees, visitors, partners, and contractors.

At Delaware Water Gap National Recreation Area, face masks are now required in all park buildings and facilities, including those that are operated by partners, volunteers, and concessioners, or are under lease. Masks are also required on NPS-managed lands when physical distancing cannot be maintained, including narrow or busy trails, boardwalks, overlooks and observation platforms, pavilions, river access points, parking lots, and areas near restrooms, bulletin boards and informational panels, and in other areas of interest that attract large numbers of visitors.

The public can find information about this requirement, other public health measures, and facility closures on the Current Conditions section of the park website: Current Conditions - Delaware Water Gap National Recreation Area (U.S. National Park Service) (nps.gov).

Signs are being placed throughout the park and the Superintendent's Compendium of Regulations has been updated to reflect the executive order. The Compendium is available at Compendium of Park Regulations - Delaware Water Gap National Recreation Area (U.S. National Park Service) (nps.gov). Information about the NPS COVID-19 response can be found at NPS Public Health Update (U.S. National Park Service).

As conditions are subject to change, visitors should check the park's website and social media channels for details on operations before they visit. Other tips to recreate responsibly are available on NPS.gov. Park rangers are on duty to provide information, protect visitors and park resources, and uphold this requirement.

For more information on Delaware Water Gap National Recreation Area, call (570) 426-2452; visit our website at www.nps.gov/dewa; or follow us on Facebook at www.Facebook.com/DelWaterGapNPS.

NOTICE

Wearing a mask is required in federal buildings.

Masks are required outdoors on federal land when social distancing cannot be maintained.

Thank you for helping to keep yourself and others safe and healthy.

Living With Pain?

Get back to doing what you love and living PAIN-FREE. That's our goal at Robbins Rehabilitation West as a family-owned, outpatient physical therapy and wellness clinic. We want to help you find the fastest and most effective way to eliminate your pain without the use of medications, injections or surgery.

How do we do this? With specialized, one-on-one treatment programs that allow both the patient and the therapist to develop a plan that WORKS, and will last long after your time with us. We give you the tools in order to succeed at home, and we serve as a resource for any of your health-related needs.

With our new Wellness Program, there are a variety of services that contribute to faster healing and sustained physical health - medical massage, laser light therapy, nutrition coaching and at-home workout plans are just some of the ways we hope to ensure you're getting the most out of your life and not limited by your pain.

Don't just take our word for it, though. There are thousands of people in Bangor, Allentown, Bethlehem, and Upper Macungie just like you that made the choice to do something about the pain affecting their lives and saw great success. Don't wait until it's too late. Call us today at 610-686-9690 and ask how you can get a FREE 30 minute health screen with one of our doctors of physical therapy.

Call **610-686-9690** to schedule your free appointment today.
