

Think Spring! Trout Stocking Schedules Available

By State Rep. Joe Emrick

BANGOR - The Pennsylvania Fish and Boat Commission (PFBC) announced this week its 2022 trout stocking schedules are now available online and on the FishBoatPA mobile app.

The PFBC will stock approximately 3.2 million adult trout in 696 streams and 128 lakes open to public angling. This includes approximately 2.2 million Rainbow Trout, 686,000 Brown Trout and 293,000 Brook Trout. As with past practice, the average size of the trout produced for stocking is 11 inches in length with an average weight of 0.58 pounds.

Volunteers will once again be welcome to participate in stocking activities. Stocking is set to begin the week of Feb. 21 in advance of the statewide Mentored Youth Trout Day on Saturday, March 26, and the statewide opening day of trout season on Saturday, April 2.

The 2022 adult trout stocking schedule is searchable by county, lists the waterways in alphabetical order, and indicates stocking dates and the species of trout that will be stocked.
