

“A Breakfast You’ll Never Forget”

By Michael Ortoski

BANGOR - The seventh annual pancake breakfast will be Saturday March 14, 2020 from 8AM to 11AM at the Bangor Area Middle School. Come out to enjoy a fabulous breakfast of pancakes and sausage while the cast of *Carrie the Musical* performs select songs from this year’s spring musical. *Carrie the Musical* is based on the novel by Stephen King. It provides powerful messages regarding bullying, abuse of power, self-doubt, and safe spaces. The musical follows the story of Carrie, a high school student who is bullied at school and abused by an overly protective mother at home. She has no place where she feels comfortable. One of the last lines of the show is “What does it cost to be kind?” The pancake breakfast features restaurant quality food and top-notch service. Come out for a morning of food, mu-

sical performances, raffles, and crafts. Help create a “Kindness Chain” that will be used to decorate the lobby during the musical performances. There will be prom crowns to decorate and wear while posing in front of a beautiful backdrop for photo opportunities.

The breakfast will raise funds for the high school musical production of *Carrie the Musical*. Performance dates are: April 3-5, 2020. There is a special preview night for Gold Card patrons, April 1, 2020 at 7:00 PM. Tickets for the musical will be available for purchase at the pancake breakfast or you can call 610-599-7011 x1001 for further information regarding tickets for the musical.

Tickets for the “A Breakfast You’ll Never Forget” pancake breakfast can be purchased at the door, \$6.00 per person, children 2 and under are free. Please call Sue Bina, 610-588-3041, with any questions.

Local Schools to Receive \$130K in Safety, Security Grants

By State Rep. Joe Emrick

NAZARETH - Yesterday I was proud to announce that the School Safety and Security Committee has awarded \$130,000 in School Safety and Security Grants to school districts in the 137th Legislative District.

Those receiving grants locally are:

- Bangor Area School District – \$40,000.
- Easton Area School District – \$45,000.
- Nazareth Area School District – \$45,000.

Other schools who received grants:

- Bethlehem Area School District -- \$385,000
- Catasauqua Area School District -- \$35,000
- Easton Area School District -- \$45,000
- Northern Lehigh School District -- \$330,679
- Salisbury Township School District -- \$35,000
- Saucon Valley School District -- \$40,000
- Wilson Area School District -- \$40,000
- Whitehall-Coplay School District -- \$45,000

These school districts deserve every penny of this funding. Having been a former teacher, I know that these grants will be put to good use—protecting our children by equipping schools to help keep them out of harm’s way.

The 17-member committee within the Pennsylvania Commission on Crime and Delinquency was created as part of Act 44 of 2018, a comprehensive school safety law passed in 2018. One of its duties is to help distribute both meritorious and competitive grants.

The 137th Legislative District encompasses the townships of Forks, Lower Mount Bethel, parts of Palmer, Upper Mount Bethel, Upper Nazareth and Washington. It also contains the boroughs of Bangor, East Bangor, Nazareth, Portland, Roseto, Stockertown and Tatamy.

PEN ARGYL - Owner/stylist Jenna Mcallister from 'Mirror Mirror' has expanded her business in this robust economy we are in and has hired two new stylist Emily Sutton & . The salon opened in August 2015.

McAllister a life long resident of Pen Argyl, graduated from Pen Argyl H. S., has been a stylist for over 13 years and attended CIT for cosmetology.

Fun Fact: I got engaged in front of the salon when my husband had the fire department pretend there was a fire call at my salon it was the most embarrassing yet exciting day of my life!

Jenna Mcallister

Here are bios on the women:

Tara Mast

Hi my name is Tara Mast and I'm in my forties and doing hair locally for over 22 years. I went to Bangor high school and Easton Vo-tech for cosmetology and started the salon life before graduation in 1998.

I love the salon life because I make people smile with haircuts, styles, colors, highlights, and fades and I definitely love seeing them grow into beautiful people inside and out. I'm really down to earth but like a little flare from time to time.

My name is Emily Sutton. I am 20 years old. I graduated from Penn Argyl high school in June of 2018. I have been an assistant for Jenna McAllister for 2 and a half years until I recently graduated from Metro Beauty Academy in July 2019.

During my time at Metro I received a few of their awards that they would get out each month. 1st place in retail sales, 90 / 90 club, highest service sales and student of the month. I love all things hair. My favorite thing to do is color, ever since we learned the color wheel in my first class at Metro I have been obsessed.

I was fortunate enough to be taught by some of the best Wella color educators at my school. I was just an assistant when I joined 'Mirror Mirror' and Jenna took time out of her busy schedule to show and explain to me how the color works and how it will look. She touched on some tips and tricks that were helpful to me that I could utilize as a stylist.

I would not be anywhere near where I am today without the support of my boss, my teachers and my family.

A Fun Fact: Most people don't know that I am really into cars. I have been around them my entire life. I look forward to spring and summer time just to go to car shows and watching drag racing .

Another fun fact about me is that my natural hair is almost black but I've been getting it colored blonde since third grade and I will never switch it up.
