

Driven by Values and Commitment: Green Knights' Character Recognized

Congratulations on Making Character Count in the Slate Belt!

Pen Argyl High School students, teachers and administrators can take pride in being named a "State School of Character" this year by Character.Org, the only school in Pennsylvania to receive the prestigious award in 2022.

Pen Argyl's "Code of the Green Knights" – Protect Integrity, Accept Challenges, Honor Diversity and Salute Kindness – exemplify Character.Org's goal of creating a future where honest, trustworthy, respectful people treat others as they want to be treated.

Nearly 30 years ago, Character.org established its "11 Principles Framework for Schools:

A Guide to Cultivating a Culture of Character," a comprehensive framework created by school leaders and education researchers to support strong character development in the nation's schools.

Congratulations Pen Argyl High School students and faculty on your hard work to achieve this recognition!

This commitment to integrity has inspired Grand Central's team to make a four-year, \$80,000 pledge to support the Character Education program at Pen Argyl Area School District.

WM shares those same principles in every aspect of doing business, in the Slate Belt and across North America.
