

Honoring the Female Faces of the Front Lines for Women's History Month: Tell Us Your Story

March is Women's History Month and this year's theme is Providing Healing, Promoting Hope, a tribute to the work of caregivers and female front-line workers throughout the pandemic.

In the spirit of this achievement, the Pennsylvania Senate wants to hear the stories of "Female Faces of the Front Lines." If you are a female medical provider, caregiver, EMS or emergency worker or you know someone who is, we want to hear from you.

Just follow the directions at the link and we'll share your inspiring story on social media.
