COVID-19 Drive-through vaccination and testing center
 Lamont McClure and Lehigh Valley Hospital-Coordinated Health Allentown Hospital (LVH-CHA) remind Northampton County residents that the drive-through center at 3100 Emrick Blvd. in Bethlehem Township offers both testing for COVID-19 and vaccinations. Hours of operation are Monday/Wednesday/Friday from 10:00AM – 2:00PM and Tuesday/Thursday from 2:00PM – 6:00PM. Vaccinations are by appointment only and are only available for Northampton County residents ages twelve and over. Patients can choose from all three available vaccines: Pfizer, Moderna and Johnson & Johnson. Pfizer and Moderna require two shots administered three weeks apart, Johnson and Johnson requires only one dose. "Recent infection data shows the pandemic isn't over yet," says Lamont McClure. "I encourage everyone to get vaccinated and, if you begin showing symptoms, to get tested for COVID-19. Vaccines and testing offer us the best chance of decreasing the risks from this virus." To make an appointment for a vaccine at the COVID-19 testing site use one of the following options:
 Schedule at the LVHN website at LVHN.org/appointments.
 Schedule on the MyLVHN patient portal, at MyLVHN.org.
 Call 833-584-6283 (833-LVHN-CVD).
 The COVID-19 Vaccine Hotline is open Monday-Friday 8:30 a.m.-5:30 p.m. and Saturday-Sunday 9 a.m.-5 p.m.
 A Physician's order is not required for a COVID-19 test. The drive-through site is open to everyone, but only residents of Northampton County will have the cost of testing covered by the County if they do not have health coverage. All testing will be through HNL Lab Medicine unless insurance requires an alternate laboratory. Participants should bring a photo ID and their insurance card, if they have one, with them to the testing site.

Jacobsburg Environmental Education Center 400 Belfast Road Nazareth, PA 18064 (610) 746-2801

February
 Jacobsburg Environmental Education Center Community Programs, February 2022 Snowshoes and Hiking Poles Available When: Monday thru Friday, 8:15 AM-3:30 PM
 Where: Jacobsburg Visitor Center, 400 Belfast Road, Nazareth
 Borrow snowshoe equipment to use on Jacobsburg's trails this winter! Snowshoes are available for folks of any age or shoe size, including small children. Snowshoes will not be made available during times of insufficient snow cover, at least six inches of snow is required. To borrow equipment, you must provide a driver's license or other form of state issued identification. For more information call 610-746-2801 or email jacobsburgsp@pa.gov. You can check our website for current winter conditions and snow depth: <https://www.dcnr.pa.gov/StateParks/WinterReport/Pages/default.aspx>
 StoryWalk® Everyday in February from sunrise to sunset

Enjoy a calm stroll starting at the pavilion across the road from the visitor center. Proceed to follow the story down the path to read Over and Under the Snow, an informative and exciting story about wildlife in winter. The detailed illustrations offer the chance for children to search for winter wildlife behaviors which match the text. The StoryWalk will take place during the entire month of February. If there is enough snow, consider borrowing a pair of snowshoes from the visitor center to help move about the park more easily.

Project FeederWatch Monitoring Thursday, February 3 at 8:30am to 3:30pm Friday, February 4 at 8:30am to 3:30pm You must have already participated in Birds and Bagels - Citizen Science and Monitor Training to register for this volunteer opportunity. Volunteer as a citizen scientist to observe and record bird observations at Jacobsburg's feeders. You can choose what times you would like to monitor between the hours of 8:30AM- 3:30PM, all day commitment is not required. Registration required to let us know what hours you are available to monitor.

Fly Tying Series for Teens Wednesday Evenings February 2, February 16, March 2, March 16 at 6:30pm to 8:30pm and Saturday, March 26 at 10:00am to 1:00pm

During this free five-part series, students will have the chance to learn about freshwater communities while gaining new skills in tying their own flies. On the last day of the series, students will have the opportunity to test their flies on the water while practicing casting techniques and fishing using loaner equipment provided by the PA Fish and Boat Commission while under the supervision of Trout Unlimited and Jacobsburg Environmental Education Center staff. Ages: 12-18. Registration is required.

The Henrys of Boulton (and Elsewhere)

Saturday, February 12 at 10:30am to 11:30am

The Henrys at Boulton loved to research their family history. They relied on a vast trove of family papers and tended to fill in the blanks with interesting stories, which later historians have repeated as fact. Twenty-first century research has uncovered, however, lots of new material that just wasn't available to these nineteenth-century historians. This new material reveals that the Henry family history is even more interesting than the Henrys themselves may have realized! Join Dr. Scott Paul Gordon for this presentation of his research into the Henry family. Registration is required.

Advanced Watershed Education Chemistry-Only Teacher Workshop Saturday, February 19 at 9:00am to 12:00pm

Watershed Education (WE) is an inquiry-based, interdisciplinary curriculum that is geared for students in grades 6-12. Developed by the DCNR Bureau of State Parks, WE helps educators utilize local natural resources as a valuable teaching tool. This workshop will specifically focus on the chemical water quality sampling component of the curriculum. Teachers who are already familiar with educating about watersheds and water quality issues will benefit from this advanced workshop that will provide resources on how to teach chemical concepts, how to maintain water quality testing equipment, and how to manage a chemistry lab outdoors.

Educators attending this workshop will receive the chemistry portion of the Bureau of State Parks award-winning Watershed Education curriculum and their own water quality test kit. Cost is \$10 payable at the workshop with cash or check made payable to the "Commonwealth of Pennsylvania". Participants will receive 3 hours of Act 48 credit. Registration is required.

(Rt. 512), East Bangor, PA. Questions? call 610-588-4453 or visit <http://ebumc.org/>.

2022 Spring Garden Series

Lehigh Valley, Pa - The annual Spring Garden Series will be hosted by Lehigh Valley Penn State Master Gardeners on March 21 and 22. This regular series delivers research-based information to the home gardener. This year's presentations include Meet the Pollinators and Certify Your Pollinator Garden, Victory Gardening, Gardening from the Ground Up and Propagating Plants from Cuttings. Pre-registration is required, each workshop is \$5.00.

Meet the Pollinators and Certify Your Pollinator Garden is March 21, 2022, at 6:30pm – 7:30pm.

Learn how to choose pollinator-preferred plants, and provide host plants, water sources, nesting sites and shelter with Master Gardener Consuelo Almodovar. Plant it and they will come! To register: <https://extension.psu.edu/spring-garden-series-meet-the-pollinators-and-certify-your-pollinator-garden> or call 1-877-345-0691.

Victory Gardening is March 21, 2022, at 7:30pm – 8:30pm.

Victory gardens date back to World War I and II when back yard gardens sprung up to supplement rations, prevent shortages and free up crops to feed soldiers.

Victory Gardens also boosted morale and couldn't we all use a morale boost now! Master Gardener, Fred Buse, pulled this classic gardening program out for both beginning gardeners and experienced gardeners looking for new tricks!

To register: <https://extension.psu.edu/spring-garden-series-victory-gardening> or call 1-877-345-0691.

Gardening from the Ground Up is March 22, 2022, at 6:30pm – 7:30pm.

Geared for both new gardeners and experienced! Everyone will learn something. Master Gardener, Lynn Dautrich, will begin at the soil then proceed on to working with seeds. The concepts will apply to vegetable, flower, and herb gardens. Approximately one third of the presentation is devoted to starting seeds indoors, hardening seedlings, and planting seedlings outdoors.

To register: <https://extension.psu.edu/spring-garden-series-gardening-from-the-ground-up> or call 1-877-345-0691.

Make a Difference... As a Caregiver
