beauty and wonder all around the lake. The camera became a tool that opened my eyes to the things we tend to overlook in our busy day to day lives," said Lisa of her love of spending time at the Lake.

Complimentary refreshments will be served on the theater balcony, from which amazing views of Blue Mountain and Delaware Water Gap can be seen north of the high school campus. The photo exhibit is free-of-charge. However, Friends of Minsi Lake will be accepting donations to support our efforts to improve natural and recreational resources at Minsi Lake and throughout the Minsi Lake Greenway.

The friends group will also be collecting contact information to share news and

updates with exhibit attendees throughout the rest of the year. A drawing will be held for door prizes of Lisa's framed photographs.

Come spend an early spring evening with Friends of Minsi Lake at Bangor Area High School Performing Arts Theater. Enjoy the stunning nature photography of Lisa Newberry, and learn about current and future projects that the friends group and its partners are doing to improve the fishery, conservation value and outdoor recreation opportunities at Minsi Lake.
