1 gal. Watering Can
Powder-coat rust-resistant steel.
Choose red, yellow, green or blue.
L 203 986 B8 Color may vary by store.

TIP: MAINTAIN AN EVEN CUT LAWN
This spring, before your first mow make
sure to re-seed bare spots in your lawn.
Water the newly seeded areas daily until
grass reaches mow-able height of at
least 2 inches or the same height as the
surrounding area. Never cut off more
than 1/3 of grass blade height. Grass
that is too short is more susceptible to
crabgrass and sun damage.
