for Jim's Sons- James & Dominic!

MIMI DAWN'S Re-Birthday Blood Drive

DONATE BLOOD

APRIL 9TH - APRIL 23RD

MILLER-KEYSTONE BLOOD CENTERS

1255 S. Cedar Crest Blvd, Suite 1300, Allentown
1465 Valley Center Parkway, Bethlehem
2925 William Penn Hwy, Suite 105, Easton

Schedule your appointment by calling
800-223-6667 and mention Group ID E002, visit
GIVEaPINT.org under the Adopt-A-Day link, or
scan the QR code.

On April 9th, 2006, Mimi Dawn, had a seizure while driving alone, resulting in a horrendous collision with a row of large trees. She miraculously survived thanks to the amazing first responders, doctors, and the many pints of blood she received from Miller-Keystone Blood Center during two days of life-saving surgery. To ensure others in life-threatening situations have the blood they need to survive, my wife, Mimi Dawn, is celebrating her second chance and what we call her re-birthday, through coordinating blood drives.

TEACH (The Epilepsy And Community Help Group). TEACH is a local Eastern Pennsylvania nonprofit that hosts blood, food, and clothing drives and advocates for epilepsy, diabetes, cancer, and other debilitating diseases. TEACH was created in response to Mimi Dawn's personal experience with such diseases.

2nd Booster Shot Now Available At Drive-through Testing/vaccination Site

By Becky Bartlett

EASTON - The drive-through COVID-19 testing/vaccination site located at Coordinated Health, 3100 Emrick Blvd in Bethlehem Township will begin offering 2nd booster shots to anyone 50-and-over, or anyone who is between 18 and 50 years old and immunocompromised, starting on March 31, 2022. Pfizer and Moderna boosters are available. Appointments are required for vaccinations and booster shots.

"Vaccines have the power to save both lives and livelihoods and Northampton County is committed to making sure our residents have every opportunity to get vaccinated," says Lamont McClure. "This drive-through clinic is an important option for anyone who has mobility issues or wants to limit the risks that can come from seeking care in a large walk-in facility."

The COVID-19 drive-through vaccination clinic and testing site is open at 3100 Emrick Blvd. Bethlehem Township, 18020. Hours of operation are Monday/Wednesday/Friday from 10:00AM – 2:00PM and Tuesday/Thursday from 2:00PM – 6:00PM. The drive-through testing center is located in the parking area to the rear of the Coordinated Health Building and is separate from patient parking and routine patient care.

A Physician's order is not required to be tested. The drive-through site is open to everyone, but only residents of Northampton County will receive a free test if they do not have health coverage. All testing will be through HNL Lab Medicine unless insurance requires an alternate laboratory. Participants should bring a photo ID and their insurance card, if they have one, with them to the testing site.

To make an appointment for a vaccine at the COVID-19 drive-thru testing site use one of the following options:

1. Schedule at the LVHN website at LVHN.org/appointment.
2. Schedule on the MyLVHN patient portal, at MyLVHN.org.
3. Call 833-584-6283

The drive-through vaccination/testing center is a collaboration between the Northampton County Department of Community and Economic Development, Emergency Management Services and Lehigh Valley Hospital-Coordinated Health Allentown Hospital (LVH-CHA).
