910 W. Pennsylvania Ave., Pen Argyl, PA 18072

Free Child Car Seat Checks by:

## Best of Luck to the Slate Belt's Envirothon Teams

### WM Joins Educators to Support County Envirothon

Grand Central Landfill shares the goals of the Pennsylvania Envirothon, the largest statewide competition for high school students focused on society's environmental issues. WM is proud to support this year's focus, on waste and resources, with important information about the safe and sustainable management of recyclable material and municipal solid waste, and volunteers by assisting in the development and implementation of the program.

Teams of students from Bangor and Pen Argyl high schools will join others from Northampton County to participate this year's fun and educational day-long environmental education program on April 21, with the winner advancing to a competition in Mifflinburg against schools from across the Commonwealth.

Best of luck to our region's students and schools as they tackle the challenges of this year's Envirothon! We know you will make the Slate Belt and Northampton County proud!
