

Slate Belt Girl Scouts

By Lisa Thomas / Slate Belt Health and Rehab Center

Administrative Office Receptionist
BANGOR - Slate Belt Girl Scouts' Service Unit Daisy Riley Carroll (troop #80) and her sister Zoey Carroll a Brownie (troop #8267), visited Slate Belt Health and Rehabilitation Center last Thursday donating Easter treats.

With their mother Jennifer's supervision, the girls were able to collect donations offered to them after helping neighbors with outside chores.

Taking their business to area merchants and purchasing items for donation, they are learning qualities of helping others and giving to the community.

Their efforts would make any Girl Scout Troop leader proud! The gifts accepted by the administrator, team and residents at Slate Belt, were well appreciated and just in time for Easter!

Slate Belt Health and Rehabilitation is located at 701 Slate Belt Blvd in Bangor PA.

The Clean Team Workforce Challenges Employees to Promote Earth Day

ALLENTOWN - In observance of Earth Day 2022, the Allentown Rescue Mission's Clean Team

Workforce hopes to raise awareness about keeping the environment clean by inviting its employees to participate in a "Bag Challenge" during the month of April. The Clean Team Workforce picks up litter daily in downtown Allentown under contract by the City of Allentown. Men participating in the contest are competing to see who can fill the most trash and recycling bags on their regular work routes in the downtown area.

Participants are divided into two teams to compete in the contest. The Allentown Rescue Mission is tracking the number of bags each team collects and the group with the most bags at the end of the month will win a gift card to an eatery of their choice.

The Allentown Rescue Mission will post contest updates on Facebook and then announce the winning team at the beginning of May.
