MIMI DAWN'S Re-Birthday Blood Drive

DONATE BLOOD

APRIL 9TH - APRIL 23RD

MILLER-KEYSTONE BLOOD CENTERS

1255 S. Cedar Crest Blvd, Suite 1300, Allentown
1465 Valley Center Parkway, Bethlehem
2925 William Penn Hwy, Suite 105, Easton

Schedule your appointment by calling
800-223-6667 and mention Group ID E002, visit
GIVEaPINT.org under the Adopt-A-Day link, or
scan the QR code.

On April 9th, 2006, Mimi Dawn, had a seizure while driving alone, resulting in a horrendous collision with a row of large trees. She miraculously survived thanks to the amazing first responders, doctors, and the many pints of blood she received from Miller-Keystone Blood Center during two days of life-saving surgery. To ensure others in life-threatening situations have the blood they need to survive, my wife, Mimi Dawn, is celebrating her second chance and what we call her re-birthday, through coordinating blood drives.

TEACH (The Epilepsy And Community Help Group). TEACH is a local Eastern Pennsylvania nonprofit that hosts blood, food, and clothing drives and advocates for epilepsy, diabetes, cancer, and other debilitating diseases. TEACH was created in response to Mimi Dawn's personal experience with such diseases.

Second Harvest Food Bank of the Lehigh Valley and Northeast Pennsylvania Receives \$2,500 in Wawa Gift Cards

By CALV

NAZARETH – Second Harvest Food Bank of the Lehigh Valley and Northeast Pennsylvania today announced its selection as one of several organizations to receive donated Wawa Gift Cards to provide food to its network of 200+ non-profit community partners.

In honor of Wawa's 58th Anniversary in the convenience retail industry, Wawa launched the "Gift Cards for Care" initiative with a total donation of \$1 million in the form of gift cards to eight organizations including The Wawa Foundations' seven National Partners: American Red Cross, Check Out Hunger, Children's Miracle Network, JDRF, LLS, Special Olympics and the USO, plus community partner, Meals on Wheels.

"We're thrilled to receive the generous gift card donation from our longstanding partners at Wawa to provide hunger, fuel and resource relief to our constituents," said Allison Czapp, Associate Executive Director, Second Harvest Food Bank of the Lehigh Valley and Northeast PA. "During these times of uncertainty, it's comforting to know our organization and the people we serve can count on Wawa to brighten our days and provide basic necessities at a time that it's needed most."

2022 Envirothon Will Be Held On April 21st

By Becky Bartlett

EASTON - The Northampton County Conservation District will hold its annual Envirothon competition. The Envirothon is an environmental competition for students in grades 9 through 12. A team consists of five students and an advisor. Each team is given materials and objectives to study in advance. The teams will be tested in five areas at the competition: Wildlife, Forestry, Soils & Land Use, Aquatic Ecology, and a current environmental issue (this year's topic is 'Waste to Resources').

This year, seven schools will compete with a total of eleven teams. Competing are Bangor Area High School, Freedom High School, Nazareth Area High School, Northampton Area High School, Bethlehem Catholic High School (BECA), Pen Argyl Area High School, and Saucon Valley High School. At the competition, the teams rotate through the five stations taking written tests with some hands-on application. The team with the highest cumulative score is the winner.

The event will be held from 9:30 am – 2:00 pm at Louise Moore County Park located in Bethlehem and Lower Nazareth Townships, and is sponsored by the Northampton County Conservation District; the Northampton County Division of Parks & Recreation; The Pidcock Company; J.G. Petrucci Co. Inc.; Joe Correia; Base Engineering, Inc.; Commerce Construction Co., L.P.; Majestic Realty Co.; Ott Consulting, Inc.; Chrin of Delaware; Bohler Engineering PA, LLC; Serfass Construction Co.; Pennsylvania American Water; Schlouch, Inc.; Hanover Engineering Associates, Inc.; T & M Associates; Lehigh Valley Site Contractors, Inc.; Wegman's; and PA Envirothon. The Conservation District receives help from the following agencies who are responsible for preparing, administering and correcting the tests: PA Game Commission, PA DCNR-Bureau of Forestry, PA Fish & Boat Commission, and Penn State Extension. Assistance will also be provided by volunteers from the Conservation District, the Division of Parks & Recreation and some of the sponsoring organizations.

Plaques, medallions and gift cards will be awarded to the top three scoring teams as well as prizes for the highest score achieved for each of the station tests. We will be giving a prize in honor of Chrissy Buchman, our previous manager who passed away in 2016, to the highest scoring team at the Current Issue Station. We also provide an honor award to the team scoring the highest in the Soils station in the name of the late Robert H. Jones, a previous Board Director of the Northampton County Conservation District. All participants will also receive event T-shirts, water bottles and Certificates of Participation.

The county winner will advance to the State competition, which is to be held at Camp Mt. Luther in Mifflinburg on May 25, 2022.

Contact: Wendy McRoberts, Envirothon Coordinator (610) 829-6279.
