

# History Day at Nazareth Area Middle School

By Rep. Ann Flood

NAZARETH - This week, I attended history day hosted by Mr. Steven Snyder, a teacher at Nazareth Middle School. I even happened to find my face on one of the displays!

All exhibits presented had a fun interactive component to reinforce the facts that were taught. The students were very excited to have their hard work seen. Two boys very willingly sang the Pennsylvania song to me. What an honor!

Great job to Mr. Snyder and all the students who participated in this educational event.

## Community Open House and Safety Fair Day

May 21, 2022  
11 A.M.-2 P.M.

## \$500 Bike Gift Card Raffle Fifty \$50 Bike Helmet Gift Cards from Cyclemasters (First Come-First Served)

## Flood Announces State Grant for Northampton Community College Construction Project

By Jordan Garrett

HARRISBURG—Northampton Community College (NCC) today was awarded \$500,000 in state funding for a construction project that will enrich learning experiences for students, announced Rep. Ann Flood (R-Northampton).

Flood played a key role in securing the funding through Pennsylvania's Redevelopment Assistance Capital Program (RACP).

"I was more than happy to advocate for this building project on behalf of NCC," said Flood.

"Investing in our students who choose to go into trade programs rather than pursue a four-year degree is so important, and this is one way we can support them."

The grant will go toward construction of the East 40 Experiential Learning Center, which will be a resource for all NCC disciplines, including the new Food Studies and Food Science programs.

The purpose for this building is to enrich place-based, experiential learning opportunities for NCC students and the wider community with hands-on examples and projects. RACP is a Commonwealth grant program administered by the Office of the Budget for the acquisition and construction of regional economic, cultural, civic, recreational and historical improvement projects.
