Donald is standing in front of the  
"Home Front" historical mural in Pen Argyl Pa.  
painted in 2014 by Totts Gap Arts Institute.  
his likeness is depicted in the mural

## ANOTHER WAY

Let's stop tearing down  
For it's ruining our town.  
Those grand old building can never be replaced.

With ingenuity and concern  
And from others we can learn  
How to put a stop to all this waste.

Park benches and space we have enough,  
Let's put aside all this rebuilding stuff.  
We can fix up the "block" all around,  
And show others how Bangor can be "re-towned".

# Statewide Reopening of Limited Outdoor Recreational Activities

By State Rep. Joe Emrick

BANGOR - To ensure that Pennsylvanians have opportunities to safely enjoy outdoor recreation as a way to maintain positive physical and mental health, and in keeping with the commonwealth's stay-at-home orders to mitigate the spread of COVID-19, Governor Tom Wolf today announced that the Wolf Administration is lifting some restrictions on businesses related to certain outdoor activities.

Starting Friday, May 1, golf courses, marinas, guided fishing trips and privately owned campgrounds may reopen statewide and are required to follow updated life-sustaining business guidance and FAQ issued by the Wolf Administration to include specifics for how these outdoor recreational industries can resume activities while prioritizing public health and safety. Campgrounds in state parks will remain closed through Thursday, May 14.

"Pennsylvanians have remained resilient throughout this COVID-19 crisis, and as we successfully continue to flatten the curve to protect our physical health, it is critical that we also focus on our physical and mental health during these extraordinary times. As the weather warms and daylight lengthens, enjoying time outdoors is an important way to manage stress," Wolf said. "As we start to take measured, limited steps to reopen our commonwealth, reopening these industries will help to rebuild our economy and strengthen our mental health."

According to a recent study by the Kaiser Family Foundation, nearly half (45 percent) of adults in the United States reported that their mental health has been negatively impacted due to worry and stress over COVID-19 with the burden likely to continue even as the pandemic's threat diminishes.

The Centers for Disease Control and Prevention (CDC) issued guidance on visiting parks and recreational facilities. These guidelines must be followed statewide by businesses and when engaging in outdoor activity while the state disaster declaration remains in effect. The guidelines will ensure the safety of individuals and families engaging in outdoor activities and adherence will help slow the spread of COVID-19.

Stay close to home: Pennsylvanians are encouraged to enjoy permitted outdoor recreational activities within their community and avoid crowding popular destinations.

Practice social distancing: Maintain the recommended minimum 6 feet apart from fellow recreationists. Pennsylvanians are also encouraged to wear a mask or protective garment that covers the nose and mouth any time they go outside. If a parking lot at a park is full or there are too many people on the same trail, find an alternate place to recreate. Cross the street to avoid running directly past another runner or wait longer at a golf hole for a fellow golfer to move forward.
