## Kozy Emporium Celebrates Store Expansion

By Rep. Ann Flood

**BANGOR** - Congratulations to Kimberly Harcarik on the grand reopening and expansion of Kozy Emporium Gift Shop in downtown Bangor!

The shop has moved into a larger storefront just next door to its original location, creating a refreshed space with more room to showcase its unique collection of gifts. The expanded shop features a wide variety of items, including candles, coffee, jewelry, crochet pieces and other specialty gifts that continue to make it a standout destination in the community.

During the ribbon-cutting ceremony, my legislative aide, Lisa Amy, presented a certificate of recognition honoring Kozy Emporium Gift Shop for its investment in the community, its contribution to the local economy, and its continued commitment to providing a welcoming and distinctive shopping experience for residents and visitors.

The expansion reflects the success of the business and the continued strength of small businesses in downtown Bangor.
