

Scouts

Continued from page 1

Andrew Kondisko "My Eagle project is located on the Plainfield Township recreational trail. There I removed all of the old mile marker signs and replaced them with new and improved ones. The new signs are now wooden and have a custom mile marker sign attached to it."

Jack Scherer "For my Eagle Scout Project, I constructed ten bluebird houses, two bat boxes, six benches, and a history of the property board at Albert Preserve in Bushkill Township."
