Awards

and friends of the Slate Belt region will be cherished again for future generations when it is unearthed in 2075. Both Mr. & Mrs. Sandt and Owens Monumental were enthusiastic in preserving Bangor's history and were wonderful candidates for this award.

The Special Focus Award goes to an individual who is saving or conserving tradition or a body of knowledge and may be contributing to educational information via exhibits, documentation, internet, archival, etc. This year's Special Focus Award goes to Mr. Scott Dietz for his non-traditional photo journal entitled 'Beyond Main Street'. In this book, Mr. Dietz captured the most beautiful parts of Bangor, but not of the main streets, rather he photographed side streets and forgotten alleys. He wanted the viewer to explore the hidden, the quiet, and the overlooked. He also left out the descriptions from the photos as the journal was about more than just the images. It was about inviting visitors and residents to discover the many historic and visual facets of Bangor.

As for the Architectural Award, SBHC did not receive any nominations that we felt were creditable enough to document as conserving a historic building, place or artifact where restoration is authentic to preservation. This award is to acknowledge individuals who have performed acts that promote and preserve the heritage of the Slate Belt, if you know of any houses, properties, or businesses in the Slate Belt that you feel may be worthy of this category, please let us know.

A public ceremony for the Initiative and Special Focus Preservation Awards will be held on Thursday, June 18th at 7:00 PM at the Heritage Center. The Center is located at 30 North 1st Street, Bangor, PA. For additional information please contact either Jason Huggan @ 484-574-2480 or Karen Brewer @ 484-894-5661.
