Family Fun at Bushkill Township Carnival

By State Rep. Ann Flood

The Bushkill Township Volunteer Fire Company Carnival brought a full week of family fun, community spirit, and tradition to Nazareth, where neighbors and families gathered to enjoy rides, food, games, live music, bingo, vendors, and activities for all ages.

Throughout the week, attendees enjoyed everything from fire truck rides and a beer garden to silent auctions, craft vendors, and special attractions such as the America250PA Freedom Truck mobile museum and live demonstrations. Each day offered something new, with themed ride nights, concerts, children's activities, and sensory-friendly programming that made the event welcoming for all.

My office had an information table at the carnival where residents could stop by to ask questions and learn more about available state services and assistance programs. I had a wonderful time attending and connecting with members of the community.

Thank you to Bushkill Township Volunteer Fire Co. for organizing another successful event that continues to bring people together in support of its important mission!

Expanding My Service in the Pennsylvania House

By State Rep. Ann Flood

I am pleased to announce I have been appointed to serve on the House Liquor Control Committee for the remainder of the 2025-26 legislative session of the Pennsylvania General Assembly.

I am honored to take on this role and look forward to working with my colleagues on issues that impact consumers, businesses and communities across the Commonwealth. The House Liquor Control Committee reviews legislation and oversees matters related to Pennsylvania's liquor system, including licensing, regulation and operational policies.

In addition to this new assignment, I will continue serving on the Appropriations, Human Services, Insurance and Transportation committees. I also serve as deputy chair on tourism for the House Republican Policy Committee and am a member of the Governor's Advisory Commission on Women.
