

## Brown's Midwifery Modernization Bill Signed into Law, Supporting Mothers and Babies

By Senator Rosemary Brown

Sen. Brown speaks at a podium surrounded by dozens of onlookers, legislators, and media members, standing in solidarity with Detective Kyle Gilmartin.

I spent this past week in Harrisburg working on important bipartisan issues that matter to residents, families, and communities across our Commonwealth.

My legislation, Senate Bill 507, the Midwifery Modernization Bill, was officially signed into law as Act 14 of 2026. This long-overdue update modernizes Pennsylvania's midwifery laws, creates a pathway for certified midwife licensure, and expands access to maternal healthcare services across the Commonwealth. ## Brown's Lifesaving AED Legislation Heads to Governor's Desk

By Senator Rosemary Brown

I am proud to announce the final passage of Senate Bill 375, Greg Moyer's Law, which now heads to the Governor's desk. This comes after over a decade of advocacy alongside the Moyer family, who tragically lost their 15-year-old son, Greg, to sudden cardiac arrest during a high school basketball game. This legislation requires AEDs to be present at all PIAA-sanctioned athletic events and practices and ensures schools have emergency action plans in place for sudden cardiac arrest situations.

I'm incredibly grateful to Greg's parents, Rachel and John Moyer, and his sisters, Abbie and Katie Moyer, whose advocacy, strength, and dedication were the driving force behind this legislation. I also want to thank my colleagues in both the Senate and House, along with the many stakeholders who supported and advocated for this important initiative.
