GRAND CENTRAL LANDFILL

a Good Neighbor in Plainfield Township

Do you know?

Grand Central Landfill, through both its operation and host community agreement with Plainfield Twp., each year creates significant positive economic activity in the community.

This economic impact in 2019 includes almost \$2 million* in tonnage-based host fees and business privilege tax payments.

These payments help make living in Plainfield Twp. more affordable for its residents. Grand Central also provides support to many of the non-profit groups, community events and causes that make the Slate Belt a great place to live.
