WE NEED YOUR INPUT

2 Ways to get involved:

1 Take the Survey

Obtaining feedback from the community is vital to the planning process. In the survey, please share how you currently use and experience this area. Your responses will help create a vision for the future of this highly valued open space. The survey should only take 10-15 minutes

2 Comment on WikiMapping

Place comments directly on an easy to use digital map of the project area. Within the map, please comment on the following as they relate the Minsi Lake Corridor. Highlight areas that you have been to, provide ideas for improvements, share photos, and contribute any relevant information to assist the County and planners in providing recreational opportunities while protecting important natural resources within the site.

Stewardship Plan Purpose & Intent

The plan will address the compatibility of outdoor recreation with the conservation of sensitive environmental habitats. It will include recommendations for an interconnected system of passive recreation infrastructure and conservation initiatives, linked by a system of trails that allows access throughout the corridor.
