It was a great night celebrating the years accomplishments and great work they do as a company for the community. Lieutenant Matthew Vanage was the recipient of the company's James G. Detrich – Volunteer of the Year Award, which was presented to him by Chief Dean Parsons. I presented him with a Senate citation in recognition of his achievement. PA State Rep. Ann Flood presented him with a House citation as well.

## Bangor Quarry Hoist Update

By Mike Piersa and Jim Gloria

BANGOR - The Bangor Quarry Hoist Pavilion is making significant progress. Volunteer carpenters John Gorman and Joe O'Reilly stepped forward to frame and set the clerestory windows. They also installed board and batten siding with wood donated and milled by Scott Stephens of Stephens Saw Mill in Brodheads ville, PA. Stephens donated all of the mill work for the Hoist pavilion.

The gable end siding will help keep precipitation out while still permitting an open view of the Hoist all around the perimeter of the pavilion. Watch for more progress soon as the lower roof and fence are installed.
