

Liberty High School Celebrates 100 Years

By Senator Boscola

BETHLEHEM - Liberty High School in Bethlehem celebrated its 100th anniversary this past weekend. I had the pleasure of being there for the celebration and I would like to thank Dr. Roy, Dr. Bailey and the members of the Bethlehem Area School Board for allowing this Freedom Grad the honor of being able to recognize the importance of Liberty High School.

In the 100 years since the first student walked into Liberty High School, it has graduated men and women who have made incredible contributions in all aspects of public and private life to our city, our region, our Commonwealth and our country.

Liberty has graduated a former Congressman, a current Congressman from Florida, a National Security Council Advisor, leaders in business, education and non-profits, many professional athletes, actors and actresses.

But what I am most proud of is the impact Liberty High School has here, in Bethlehem. Its graduates are the backbone of the community that helped make the City of Bethlehem a great place to live, work and raise a family. Churning out hard working men and women who do their jobs, raise their families, volunteer to help others and step up in local leadership positions.

Without notoriety and fanfare, Liberty High School and the teachers, principals and administrators are a fundamental and often unrecognized element that makes this community such a special place to live. The first 100 years have been pretty remarkable... built a steel mill, lost a steel mill, redeveloped a steel mill and through all that time this community never lost hope, never wavered and remained a vibrant community. In large measure because of what happened in these classrooms.

GRAND CENTRAL LANDFILL a Good Neighbor in Plainfield Township

Do you know?

Grand Central Landfill, through both its operation and host community agreement with Plainfield Twp., each year creates significant positive economic activity in the community.

This economic impact in 2019 includes almost \$2 million* in tonnage-based host fees and business privilege tax payments.

These payments help make living in Plainfield Twp. more affordable for its residents. Grand Central also provides support to many of the non-profit groups, community events and causes that make the Slate Belt a great place to live.

If you have questions about our business, please call us at 1-888-373-2917.

*Based on estimated waste volumes through December 31, 2019.
