

A Weekend Honoring Our Veterans

By Stste Rep. Ann Flood

JACOBSBURG - Last weekend, the Boulton Historic Site and Jacobsburg Historical Society held their World War II reenactment!

I was privileged to provide some opening remarks and pins to all veterans in attendance, including a woman who informed me that she was WWII veteran. It was an eye-opening experience speaking with her about her time in the war. I also spoke with Mr. Paul Chuckalovcak from the district about his time in the military. I always love being a part of these community events and meeting constituents.

God bless each of these veterans, the Nazareth Community band who played patriotic music and the Jacobsburg Historical Society who hosted this event which gave many the opportunity to learn more about the second World War.
