250th Anniversary celebration on the National Mall

'Pennsylvania Pavilion'

By U.S. Senator Dave McCormick - Thank you to everyone who helped make Pennsylvania's presence in the Great American State Fair so memorable. Whether you volunteered your time, contributed Pennsylvania products, coordinated logistics, stopped by our booth, or helped tell Pennsylvania's story, your support made all the difference.

Thanks to your efforts, Pennsylvania's pavilion was recognized with one of the event's prestigious "Best in Show" honors, earning recognition as one of the premier state exhibits during America's 250th Anniversary celebration on the National Mall. This achievement belongs to every Pennsylvanian and every organization that came together to make our Commonwealth shine.

Together, we showcased the people, products, traditions, and innovation that define Pennsylvania—from our rich history and iconic landmarks to our farms, manufacturers, energy producers, entrepreneurs, and small businesses. I'm incredibly grateful to Senator Fetterman, Secretary Rollins, our more than 55 Pennsylvania partners, and everyone who helped ensure our Commonwealth was represented in a way worthy of its extraordinary role in America's story.
