Crayola Experience Celebrates 30 Years

By State Rep. Ann Flood

I was honored to join Crayola in downtown Easton to celebrate the 30th anniversary of the Crayola Experience!

For three decades, the Crayola Experience has inspired creativity, encouraged learning through play, and created countless memories for children and families across Pennsylvania and beyond.

This celebration was especially meaningful because Crayola has been part of my family's story for many years. My mother worked for Crayola when I was growing up, and several other members of my family did as well. Like so many families throughout our region, I have seen firsthand the positive impact this company has had on our community.

The Crayola Experience is more than a destination. It is an important part of downtown Easton, supporting local businesses, creating jobs and bringing visitors to our region.

Congratulations to President and CEO Pete Ruggiero, the dedicated Crayola Experience team and everyone who has helped make 30 years of color, creativity and community possible.

Thank you for continuing to inspire generations of artists, dreamers and innovators!
