Thank You Rep. Ryan Mackenzie for supporting Pennsylvania families' access to affordable child care.

Representative Ryan Mackenzie fights for Pennsylvania's working families. Too often, child care takes a huge chunk of working families' income, with costs averaging over \$13,000.

That's why Rep. Mackenzie sponsored the Child Care Modernization Act to ensure the best possible care for our youngest Pennsylvanians and support parents' ability to afford the care they rely on to go to work and provide for their family.

Serving Pennsylvania's Families

Rep. Ryan Mackenzie worked to:

- **Protect parental rights** especially their ability to choose programs that match their values
- **Put Pennsylvania in charge** of decision-making, not Washington bureaucrats
- **Support rural child care** and remove red tape that makes it harder for rural providers
- **Expand opportunity** by supporting small businesses that meet local needs

Scan to tell Rep. Mackenzie that you also support improving child care for Pennsylvania's working families.
