By Aimee Kohler

EAST STROUDSBURG - On Sunday, August 28th, 2022, from 1-5PM the Brodhead Watershed Association and the Brodhead Forest and Stream Association (BFSA) will co-host the 2022 annual River Ramble. This event, open to the public, will grant participants exclusive access to the historic private BFSA fishing club property on over 1,000 acres along the Brodhead Creek.

Tickets may be purchased on the BWA website: <https://shop.brodheadwatershed.org/product/ramble/>

The River Ramble offers many outdoor activities including a hike to the top of Mt. Hamilton, with a stunning view of the Brodhead Watershed. The hike is expected to run 90 minutes round-trip and will feature a stop at warbler habitat restoration project aimed at assisting a threatened species. The hike will be led by local naturalists Darryl Speicher and Carol Hillestad.

Additional streamside programs include one for children entitled 'Creek Critters, insects that make a clean stream', programs on Trout habitat, streambank restoration, and invasive plant removal projects.

The Ramble will wrap up at the BFSA clubhouse, where Susan Brozena will offer a history of the BFSA and the surrounding area. Food and beverages will be served. The event will conclude at 5pm.
