National Night Out 2022

By Michael Ortoski

ROSETO / BANGOR - "National Night Out is one of my favorite nights of the year! Every community, every neighborhood benefits from having strong ties with their police department." Said Senator Boscola, I was able to visit multiple National Night Out celebrations from Bangor to Bethlehem Township – thank you to everyone who took the time to say hello!

National Night Out is for Police and Fire Departments sponsoring these festivities to bring our communities together as a whole to increase awareness in safety & crime prevention and to help strengthen community bonds – not just with the Department but with each other.

Preventing crime falls on all of us – not just our local law enforcement. Communities are safer & more vibrant when there is a strong bond between police officers and residents.
