

Minsi Lake Update for July 2021

By Senator Scavello

UPPER MT. BETHEL - John Mauser, Chairman of Friends of Minsi Lake along with Jim Wilson of Northampton County Parks and Rec (who served as cameraman), recently filmed a series of videos on Lake Minsi. These videos highlighted some of the terrific progress that has been made at Lake Minsi following the reconstruction of the earthfill dam and spillway. WATCH THE UPDATE HERE!

A heartfelt THANK YOU to the Friends of Minsi Lake and the Pennsylvania Fish and Boat Commission for their dedication to the lake. Through their hard work and dedication, Lake Minsi continues to be a crown jewel right here in the 40th District.

If you have not been there since the dam was reconstructed, I hope you take some time and visit this summer. You will not be disappointed. And stay tuned to the FOML Facebook page for news regarding other improvements that will be made in the future!

Make sure you Like and Follow the Friends of Minsi Lake page and stay up to date! More info about Minsi Lake: <https://bit.ly/3yldIYM>.
