Fish With a Waterways Conservation Officer

By Jim Wilson / FOML Sec.

UMBT - Friends of Minsi Lake teamed up with the PA Fish & Boat Commission for the agencies "Fish With a Waterways Conservation Officer" event at Minsi Lake on Saturday, August 13. More than 50 people registered for this intro to fishing program for kids, families, friends & anyone interested in learning how to fish.

WCOs from PFBC's entire Southeast Region were onsite to help with the event. They instructed & demonstrated how to safely bait a hook, cast a line & reel in a fish. They answered myriad questions related to fishing, boating, tackle & water safety. They provided PFBC literature & patches to kids & adults alike & were consummate professionals!

Lydia Hosford, Andy Curtis, John Mauser, Bob Amelio & Jim Wilson represented FOML & worked right alongside PFBC WCOs, helping teach kids how to cast fishing line & engaging with parents about all things Minsi Lake. The weather was spectacular & an enjoyable time was genuinely had by all!

Eagle Scout Court Of Honor Ceremony

By Stste Rep. Ann Flood

NAZARETH - Last weekend, I had the privilege of attending Connor Cook and Gabriel Nale's Eagle Scout court of honor ceremony. They are each members of Troop 78 in Nazareth.

For Connor's Eagle Scout project, he constructed pavilions and benches for use at the Lehigh Gap Nature Center (LGNC) and revitalized a trailhead that was falling apart due to erosion.

For Gabriel's Eagle Scout project, he constructed and installed fishing line receptacles and picnic tables at several ponds across Bushkill Township. This will make green spaces even more enjoyable for visitors and wildlife.

Join me in congratulating these two young men on their hard work!
