

Bryant Street Park in Stroudsburg Borough

By State Rep. Tarah Probst

Congratulations to Ellen Phraner, whose dedication to Bryant Street Park in Stroudsburg Borough has helped make it such a beautiful and welcoming place for more than 15 years.

Ellen's Master Gardener talents, tireless volunteerism, and ability to bring others into the effort have made a lasting impact on this special little corner of the Borough. Her commitment to cultivating the gardens and building a community of volunteers is truly unmatched.

It was wonderful to see so many neighbors, friends, volunteers, and local leaders come together to recognize Ellen and celebrate all she has given to the park and the community.

Among the tributes was the dedication of a new shed in her honor and the renaming of Bryant Street Park to Ellen's Park.

Ellen, you are a truly special lady, and this beautiful place is a reflection of your years of hard work, generosity, and love for the community. Congratulations on this well-deserved recognition!

PA Game, Fish and Boat Commissions Seek Feedback

By Rep. Joe Emrick

The Pennsylvania Game Commission (PGC) and Pennsylvania Fish and Boat Commission (PFBC) are inviting public input about their draft 2025-2035 Pennsylvania Wildlife Action Plan.

The draft plan and public comment form are available online. Comments must be submitted by Sept. 19.

According to the agencies, the Pennsylvania Wildlife Action Plan was first developed in 2005 and has since served as the Commonwealth's blueprint "to conserve Pennsylvania's native fish and wildlife, maintain resilient habitat, and protect and enhance Species of Greatest Conservation Need." As required by Congress, state wildlife action plans must be revised no less than every 10 years.

A wildlife action plan approved by the U.S. Fish and Wildlife Service (USFWS) is required for states to receive State and Tribal Wildlife Grant Program funds. The Pennsylvania Wildlife Action Plan is scheduled to be delivered to the USFWS by Oct. 1.
