# SO NOW WHAT?

**HELPING PARENTS & CAREGIVERS NAVIGATE A SCHOOL YEAR LIKE NO OTHER**

You and your family are in the middle of what is already an unprecedented start to the school year, not to mention all we experienced last spring. You're processing lessons already learned, adjusting to new ways of preparing your kids and often figuring it out for yourselves.

A lot of us are asking...So Now What?

The **So Now What?** virtual series brings the country's leading experts in education and childhood development, including PBS Kids, Common Sense Media, Learning Heroes and UPMC Children's Hospital, together with parents and caregivers to share and learn from one another. We will cover a range of topics specific to this moment in time, including social emotional wellness, mental health, learning resources, communication, tech safety and much more.

**Together we will navigate the start to this new, uncharted school year, and make plans for what comes next, no matter what tomorrow brings.**

**WHEN:**

Every Wednesday evening in September 2020

All sessions are FREE and open to all!

**WHERE:**

Sessions are held virtually via Zoom.us
