

Scholarship Funding for Lehigh Valley Families

By State Rep. Ann Flood

I was honored to join the Bridge Educational Foundation for its scholarship check presentation at Notre Dame High School in Easton, announcing $268,000 in scholarship funding for Lehigh Valley families.

The funding is provided through Pennsylvania's Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs, which help eligible families access scholarships for their children's education. These programs give families more options when choosing an educational setting that best meets their children's needs.

The scholarship funding was supported by JL Mann Consulting, Wells Fargo and Waste Management. I appreciate the foundation's work to connect families with these opportunities and the support of the businesses helping make this funding possible throughout the Lehigh Valley.
