

Layer Me Gently 3D Opens in Bangor

By State Rep. Ann Flood

Congratulations to Layer Me Gently 3D, LLC, on its grand opening in Bangor! This new business located at 5 Broadway brings a creative selection of custom 3D-printed products to the Slate Belt community.

The shop offers a variety of unique toys, collectibles, household items and seasonal products. Customers can also request custom designs, including creations modeled after their pets. The owners plan to offer classes for children in the future, giving young makers a chance to explore their creativity.

While I was unable to attend the celebration, my office provided a Certificate of Recognition congratulating the owners on their new venture and recognizing their dedication to quality, craftsmanship and customer satisfaction. I wish the owners continued success as they bring their unique creations to the Slate Belt community!
