When it comes to housing,

little things shouldn't make a difference.

If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

FAIR HOUSING IS THE LAW!

Spotted Lanternfly Training
Continued from page 11

On May 26, 2018, a new Spotted Lanternfly Order of Quarantine and Treatment was published in the PA Bulletin. The Pennsylvania Department of Agriculture (PDA) established the quarantine order to stop this pest from moving out of the currently affected area. PDA is also working to minimize the movement of SLF within the quarantine area, by deterring the movement of SLF on materials, equipment, vehicles, etc. from high population areas into areas with low to no populations.

All residents and businesses must comply with the regulations. A SLF permit is required for businesses which move products, vehicles or other conveyances within or out of the quarantine zone.

Owners, supervisors, or managers designated by the business should complete the training. This person will be responsible to train employees on what to look for and how to safeguard against moving spotted lanternfly. The department encourages everyone, even those who do not need a permit, to take advantage of training.

Training classes are being offered free of charge. The classes will consist of a pre-recorded training session followed by a 20-question exam. A score of 70% (14/20) is required to pass and to receive a permit. To register, contact the PA Dept. of Ag., at 717-787-5674 or SLFPermit@pa.gov.
