## Lower Mt. Bethel Town- ship Fire Company Awarded EMS Grant Funds

By State Rep. Joe Emrick

LOWER MT. BETHEL TOWNSHIP -Congratulations to the Lower Mt. Bethel Township Fire Company on receiving \$42,900 in emergency service funding to complete various facility upgrades. The funding will go toward the following projects:

Replacing flat roof on the original section of the building that was built in 1960. Since the original roof has only seen repairs, it is in desperate need of replacement.

Replacing the exterior metal siding on the original building and on the larger apparatus bay. This is a crucial necessity due to the rusted metal as well as broken fasteners.

Replacing the concrete aprons around the front of their building, which transitions the building floor and the blacktop driveway. These are cracked and worn from age and larger fire equipment use.
