Heritage Center The Wants Your 9/11 Memories

The Slate Belt Heritage Center is compiling an oral record of the events of 9/11 as seen through the eyes of local residents. Whether you were a first responder, family member of a first responder, worker in the area of the Twin Towers, someone who helped in the weeks after the attack, or was involved in any way, the Center would like your memories of that time. Walt Cole, retired history teacher from the Pen Argyl School District, would like to record your memories for the Center's Oral Archives. Please contact the Center at 610-599-4993, and leave your name and phone number, so we may contact you. September 11 was a traumatic day in our country's history, and it is very important that these memories be preserved. Please help us do just that. The Slate Belt Heritage Center is a 501©3 organization dedicated to the teaching and preservation of the culture and history of the Slate Belt area.
