Steelworkers Veterans Memorial Rededicated At The National Museum Of Industrial History

By NMIH

BETHLEHEM, Pa – Members of the Bethlehem Steelworkers Veterans Memorial Committee re-dedicated the Steelworkers Veterans Memorial at its new home in the plaza of the National Museum of Industrial History earlier today, November 11th, in a Veterans Day ceremony honoring those who served.

By Senator Scavello

PEN ARGYL - This week, the nation paused on Veterans Day in reverence for the brave men and women who have served our great nation. Financial assistance is available to veterans and their families who are struggling to afford the necessities of life, including food, shelter, fuel and clothing.

The Veterans Temporary Assistance Program offers aid when a veteran is unable to afford basic necessities due to temporary loss of income, sickness, disability, unemployment and other emergencies and circumstances beyond their control. The program also helps

families of military personnel who died while in service or were killed in action.

In addition, the Department of Military and Veterans Affairs launched a new statewide outreach initiative this week to better serve Pennsylvania's veterans. The new PA VETConnect system is designed to improve referral capabilities and connect veterans to the services they need.
