

New Eagle Scout Matthew Taylor

By Senator Scavello

PEN ARGYL - Saturday in Bangor, I attended the Eagle Scout Court of Honor for Matthew Taylor. For his Eagle Scout Project created a memorial garden located at Christ Church of the Slate Belt, honoring both military veterans and passed church members. It includes 3 benches, a flagpole, and plaques commemorating the veterans and church members. Congratulations Matthew and best of luck in your future endeavors!

Apprenticeship Week: Information for Employers and Job Seekers

By Senator Scavello

PEN ARGYL - National Apprenticeship Week is a reminder apprenticeships play a critical role in producing a skilled workforce by connecting aspiring workers with employers in need, and that resources are available to make that connection happen.

According to state Labor and Industry Department estimates, nearly nine out of 10 apprentices are employed after they complete their apprenticeship, and the majority take jobs with a starting salary of \$60,000 a year or more. Apprenticeships also allow Pennsylvanians to graduate with little to no student debt.

There are 1,585 apprenticeships registered with the state, along with 74 pre-apprenticeships. You can learn about the different kinds of apprenticeships, how to secure one and more here.

Veterans Day at American Legion Post 927

By Senator Scavello

PEN ARGYL - On Veterans Day, I attended a ceremony held at American Legion Post 927 in Gilbert. It was a pleasure to join PA State Rep. Rosemary Brown and PA State Rep. Jack Rader to offer words of gratitude for our veterans and their families for their service to our great nation. I encourage everyone to thank our veterans each and every day and make every day Veterans Day.

November is American Diabetes Month

By Senator Scavello

PEN ARGYL - More than 1.1 million Pennsylvanians, or 11.1% of adults, have diagnosed diabetes. An additional 303,000 have diabetes but don't know it.

More than 34% of the adult Pennsylvania population have prediabetes with blood glucose levels that are higher than normal but not yet high enough to be diagnosed as diabetes.

Complications from diabetes include heart disease, stroke, amputation, end-stage kidney disease, blindness and death. American Diabetes Month is an opportunity to learn about the risks, how to manage diabetes, and more.

The holidays are about gathering together with friends and family. It's also a time of reflection and gratitude. With this in mind, we wish you and your family a very
Happy Thanksgiving
