Friends of Minsi Lake and LV Audubon Society Working Together

By Michael Ortoski

UPPER MT. BETHEL - Scott Burnett & Mike McCartney from LV Audubon Society and Friends of Minsi Lake (FOML) Jim Wilson installed the last of the 10 wood duck boxes a Minsi Lake last week (5 of them). These were installed along the shores of the West Cove. They installed the first 5 along the shores of the East Cove this past summer.

McCartney built the 10 wood duck boxes for FOML early this year. Like last time, he & Burnett provided everything, i.e., ladder, post driver, screw gun, woodchips for the boxes, level, hardware, etc., etc. "They take pride in what they do & they do it like pros" said Wilson.

"Parks & Rec maintenance staff shuttled the boxes, poles, materials, tools & equipment back the Lake Trail to the East Fork. There we offloaded everything & Scott & Mike & I hoofed things to points along the West Cove" said Wilson.

"We also had to do some winter maintenance." We removed the 36 gourds from the martin towers for the winter. I took them back to Louise Moore Park
