

Annual Appeal Cetronia Ambulance Corps

By Robert F. Mateff Sr. / Interim CEO

SLATE BELT - 2020! What a year it has been for all of us. One of the things it has brought attention to now more than ever is our need to be community driven in our efforts. The effects this pandemic is having on our associates, first responders, the local healthcare system and the region as a whole, is unlike anything we have ever experienced.

We are anxious to start a new year and are hopeful for vaccines that will help mitigate COVID-19. Until the pandemic is more under control, we ask that you continue to wear your masks, wash your hands and social distance. We understand that it isn't easy, especially during the holiday season, but we ask that you do so to help save more lives including your own.

I'd also like to take this time to thank those of you that were able to help us make it through our 65th year in business. As our Annual Appeal winds down for the year, we just want you to know that we would not be here without your support.

Wishing all of you a joyous holiday season and a fantastic New Year!

Thank you and stay well.
