COVID-19 Drive-through vaccination and testing center
 Lamont McClure and Lehigh Valley Hospital-Coordinated Health Allentown Hospital (LVH-CHA) remind Northampton County residents that the drive-through center at 3100 Emrick Blvd. in Bethlehem Township offers both testing for COVID-19 and vaccinations. Hours of operation are Monday/Wednesday/Friday from 10:00AM – 2:00PM and Tuesday/Thursday from 2:00PM – 6:00PM. Vaccinations are by appointment only and are only available for Northampton County residents ages twelve and over. Patients can choose from all three available vaccines: Pfizer, Moderna and Johnson & Johnson. Pfizer and Moderna require two shots administered three weeks apart, Johnson and Johnson requires only one dose. "Recent infection data shows the pandemic isn't over yet," says Lamont McClure. "I encourage everyone to get vaccinated and, if you begin showing symptoms, to get tested for COVID-19. Vaccines and testing offer us the best chance of decreasing the risks from

this virus." To make an appointment for a vaccine at the COVID-19 testing site use one of the following options:
 Schedule at the LVHN website at LVHN.org/appointments.
 Schedule on the MyLVHN patient portal, at MyLVHN.org.
 Call 833-584-6283 (833-LVHN-CVD).
 The COVID-19 Vaccine Hotline is open Monday-Friday 8:30 a.m.-5:30 p.m. and Saturday-Sunday 9 a.m.-5 p.m.
 A Physician's order is not required for a COVID-19 test. The drive-through site is open to everyone, but only residents of Northampton County will have the cost of testing covered by the County if they do not have health coverage. All testing will be through HNL Lab Medicine unless insurance requires an alternate laboratory. Participants should bring a photo ID and their insurance card, if they have one, with them to the testing site.

Jan. 23 talk: Capturing the wonder of waterfalls with photography
 By some counts, Pennsylvania has 75 named waterfalls. Thirty of those are in the Poconos.
 Adventurer, former pilot, and Colorado native Ray Roper has been making photos for decades. "Water in all its forms is endlessly fascinating," he said. "Frozen, flowing, cascading, even as crystals in the air – it always rewards the careful observer."

Roper has photographed many waterfalls in the Brodhead watershed, including many on land not open to the public. On Sunday, Jan. 23, 2022, Roper will share images from his collection and talk about his aesthetic choices and the love of the natural world expressed in his work.

Waterfall Photography Talk
 When: 3 p.m. Sunday, Jan. 23, 2022
 Where: Brodhead Creek Heritage Center, 1539 Cherry Lane Road, East Stroudsburg, Pa.
 Details: This event is free, but registration is appreciated at brodheadwatershed.org/events. Contact: Email info@brodheadwatershed.org or call 570-839-1120.
 FOR INFORMATION about this and other events in the free Get Outdoors Poconos series, go to www.brodheadwatershed.org/gopoconos. These events spotlight how forested land keeps drinking water safe and abundant. The series is administered by Brodhead Watershed Association and supported by a grant from the William Penn Foundation.
