If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

Winter In State Parks

the gate — you'll cross a beautiful unnamed tributary of Bushkill Creek. Continue uphill and curve around up the rocky heights, then retrace your steps. Dancing Ridge Trail loop also starts here.

STATE GAME LANDS

Pennsylvania Game Commission's mission is to manage Pennsylvania's wild resources — birds, mammals, and their habitats — for current and future generations and to champion Pennsylvania's hunting and trapping heritage.

Trails abound in game lands. But keep in mind that this land is paid for largely by fees from hunting licenses, and something is just about always in season. Check the commission's website for details. Late archery and flintlock deer seasons, for instance, run through Jan. 20 in our area. And always wear fluorescent orange while out in game lands.

Brodhead Watershed Association's April hike will be to Cresco Heights on State Game Lands 221. Plan to come along!

Something all these places have in common: water. There is no better protection for safe, drinkable, pure water than naturally forested land — the best, most effective, lowest-cost "water filtration plant" there is. Everywhere you go, forested land protects wildlife and birds, drinking water, and our rural heritage — and also provides that abiding sense of wonder you feel as you head back home after a day in the woods.

Carol Hillestad is a fund leader and writer for Get Outdoors Poconos, a grant-funded series administered by Brodhead Watershed Association. For information about the free Get Outdoors Poconos series, which will continue throughout 2020, go to brodheadwatershed.org/gopoconos. The hike series is administered by Brodhead Watershed Association and supported by a grant from the William Penn Foundation.

IF YOU GO

Dress for the weather in layers. Wear fluorescent orange and boots and take a hiking stick. Take water, snacks and a map. Hike with a buddy and make sure someone knows where you are going and when to expect you back.
